ORDER

ARUN SUBRAMANIAN, United States District Judge:

On June 4, 2024, the Court granted Plaintiff's motion for leave to file an amended complaint. On June 14, 2024, Defendants filed a motion to dismiss but appear to reference the original rather than the amended complaint in their motion. *See, e.g.*, Dkt. 28 at 4 (citing Dkt. 1 rather than Dkt. 21-1).

By June 24, 2024, Defendants should amend their motion to dismiss to address the amended complaint (Dkt. 21-1).

Plaintiff's opposition to the motion to dismiss will then be due on July 15, 2024.

Defendants' reply will be due July 22, 2024.

The Clerk of Court is directed to terminate Dkt. 27.

SO ORDERED.
